Settings

Stroke limit: _ 8 default

Max stroke penalty: _ 2 default

Hide total score
until end: on/off default on

when tapping a box
something like this
would come up:

① ② ③ ④

⑤ ⑥ ⑦ ⑧

User can tap the
P1/P2/P3 etc. to
change the name for
that player

User just taps what they
got then that number
will appear in the box.
